Foreword

Our court has assembled and our ladies and knights in shining armor are about to enter into a world of marked opportunity. We have established our own medieval fortress, but now the world's fortress awaits us.

Look forward, seniors, and meet the challenges with forthright efforts! Remember the jousts and scholarly achievements put forth in our fortress and continue the efforts formulated here in responsibilities to come. All experience gained here at F.S.C.S. will enable us to better confront the problems which may face us in the future. These problems may either be minor or may be of great consequence. Whichever they may be, I know our foundation for solving them is a sound one.

May I now take it upon myself to wish the best of luck to all the undergraduates from the Class of 1965. Cherish the things learned here, for they will aid you.

To the seniors, may I wish the best of success in the future, and may I express the thanks of the Class of 1965 to all the faculty for all they have done for us and for all they have tried to teach us.

Dedication

JOHN G. GOODALE

We have come to the end of our last Crusade at Frankfort - Schuyler Central School and we are coming near to our objective--graduation. At this point in our journey, we feel it is fitting and proper to pause for a moment and express our appreciation to a senior class advisor who has been instrumental in our class organization.

Through his efforts, we have learned the importance of working as a group and the need to participate in all activities the class assumes. We also realize that there is a reward, not only bringing monetary benefits, but also a feeling of personal satisfaction that comes from successfully accomplishing a project.

When the members of the senior class needed assistance in working towards a common objective, this advisor willingly offered his assistance. Therefore, with sincere gratitude and deepest appreciation, we, the Class of 1965, dedicate this edition of the Maroon Log to our friend--MR. JOHN G. GOODALE.

A Special Tribute

God hath not promised skies always blue,

Flower-strewn pathways all our lives through;

God hath not promised sun without rain,

Joy without sorrow, peace without pain.

But God hath promised strength for the day,

Rest for the labor, light for the way,

Grace for the trials, help from above,

Unfailing sympathy, undying love.

In Memory of Robert Manno

Here rests his head upon the lap of Earth,

A youth to Fortune and to fame unknown.

Fair Science frowned not on his humble birth,

And Melancholy marked him for her own.

Large was his bounty, and his soul sincere;

Heaven did a recompense as largely send.

He gave to Misery all he had, a tear,

He gained from Heaven ('twas all he wished) a friend.

No farther seek his merits to disclose.

Or draw his frailties from their dread abode,

(There they alike in trembling hope repose)

The bosom of his Father and his God.

Class History

BY GRETCHEN BENNETT AND CAROLYN SOBIERAJ

There was a tumult in the castle

Of that quaint Old English town

And knights were wandering everywhere

In armour bright they shone.

Yes, as we ponder over the history of the Class of 1965, we are reminded of the difficult but memorable crusades that we, as Frankfort Knights, have embarked upon. Now, as we stand in the year of Decision and in the hour of Doubt, we silently reminisce and feel sorrow as we cherish the many memories which Frankfort Schuyler Central School has given to us.

The first and perhaps most frightening Crusade of our years was begun in September, 1961 - our freshman year. Its objective being to establish a sound organized court, the following were elected as the ruling family: President, Mike LaPolla; Vice-President, Eileen Murray; Secretary, Mary Lou Piazza; and Treasurer, Dan Colino. Of course, the foremost leaders of our Crusade were Mr. Spina, Mrs. Cacciatore, Mr. O'Leary, and Mr. Spanfelner. Without these all important aids, our purpose could not have been effected. Our contribution to the Student Council was given by the following Knights of the Round Table: Chris Muto, Don Fiorentino, Charlotte Bunce, and Mike LaPolla. Acting as jesters on the Freshman Cheerleading Squad were: Nora Tucker, Josie DiMaria, Kathy Worden and Kay Kilgress. Charla Johnson and Cecilia Mannino participated in the May Day festivities as attendants to the queen. Our court scholars on the National Honor Society were: Anthony Ahern, Patricia Barton, Gretchen Bennett, Janet Biernat, Karen Carlson, Patrick Castilla, Dan Colino, Mamie Diliberto, Josephine DiMaria, Ronald DiOrio, Paula Fetterley, Ken Griffen, Charla Johnson, Kay Kilgress,

Norman Klock, Mike LaPolla, Suzanne Lasorella, Patsy Limpert, Kathy Marine, Mary Ellen Novak, Mary Lou Piazza, Mary Alice Ruddy, Carolyn Sobieraj, Patty Terzo, Nora Tucker, David Young.

September, 1962 marked the beginning of our second crusade. Elected as this year's royal family were: President, Tom Kinney; Vice-President, Anthony Lisandrelli; Secretary, Kathy Worden; and Treasurer, Dan Colino. Those who aided in the planning of our Crusade were: Mr. Mazzara, Mr. Spina, Mr. Whitney, Miss Crockford, and Mrs. Cacciatore. Karen Carlson, Tom Kinney, Chris Muto, and Sheryl Durant were Knights of the Round Table who aided in governing our court. Our jesters who provided excellent entertainment on the cheering squad were: Kathy Worden, Josie DiMaria, Kay Kilgress, and Sara Sue Latella. The May Day queen was attended by Josie DiMaria and Karen Hagen who did well in representing our court. Honored this year as court scholars were: Pat Barton, Gretchen Bennett, Dan Colino, Paula Fetterley, Mike LaPolla, Patsy Limpert, Kathy Marine, Eleanor Miller, Judy Morgan, Patty Terzo and Pam Walsh. One of our number, Pat Terzo, was chosen as a delegate to the Red Cross Leadership Program held at Miami University, Ohio.

Eagerly, we anticipated our third and certainly most significant Crusade. Many decisions and demands would be put to us in this our Junior year. We elected as this year's ruling family: President, Tony Potenza; Vice-President, Gretchen Bennett; Secretary, Jo Latella; and Treasurer, Barbara Grates. Those leading us in our journey were Mrs. Reina, Miss Ingro, Mr. Sloan, and Mr. Chuff. Our Knights of the Round Table who were elected to the seats in the Student Council were: Sheryl Durant, Mike Riscica, Mike Lapolla, and Tony Potenza. Our lone representative jester on the Varsity cheering squad was Suzanne Lasorella. May Day attendants who added grace and beauty to the queen's court were Mary Ellen Novak and Verna

Stevens. Following a vigorous campaign, the elected dignitaries of the high court were Mike LaPolla, President; Tom Kinney, Vice-President; Mary Ellen Novak, Secretary; and Pat Barton, Treasurer. The all-important decision for all of the court was the choice of jewels (rings) for our subjects. After a swift decision, but a rather long and anxious wait, we were awarded with our jewels. This year's court scholars in the National Honor Society were: Pat Barton, Gretchen Bennett, Patrick Castilla, Dan Colino, Ken Griffen, Mike LaPolla, Patsy Limpert, Eleanor Miller, Judy Morgan, Mary Ellen Novak, Mary Lou Piazza, Mary Alice Ruddy, Janet Sgroi, Carolyn Sobieraj, Pat Terzo and Pamela Walsh. Anthony Ahern, Pat Castilla, Dan Colino, Ken Griffen, and Mike LaPolla were our royal representatives to Boys' State while Gretchen Bennett was our royal representative to Girls' State. Pat Terzo was our court scholar to attend a Summer Math Training Program in Buffalo. Pat Barton, Gretchen Bennett, Pat Castilla, and Pat Terzo were chosen to aid in carrying out a Citizenship Education Conference at Syracuse University. Our royal ball and all important social event for all of the king's subjects was the Junior-Senior Prom, "A Night in Tahiti", which left us all with fond memories. To augment our royal funds, all of our subjects participated in the sale of sweets and made it a tremendous success.

At last, the year of years arrived, our Senior year, and with it, our chance to make this our best and most fruitful crusade of all. Members of the royal family elected to rule this fateful year were: President, Tony Potenza; Vice-President, Joe Latella; Secretary, George Bianchi; and Treasurer, Patsy Limpert. Leading us to final victory were our sponsors Mrs. Graves, Mr. Hamad, Mr. Goodale, and Miss Townsend. Tony Potenza, John Migliore, Anthony Ahern, and Don Fiorentino were elected to serve as Knights of the Round Table.

Court jesters who served to lead our teams on to the greatest victories ever were Kathy Worden,

Sheryl Durant, Sharon Green, Kay Kilgress and Sara Sue Latella. Inspired by Mr. Goodale, the great dramatists of the court presented our Senior comedy, "Harvey". The cast included Judy Morgan, Kay Kilgress, Ronald DiOrio, Gerry Amendolare, Sheryl Durant, David Domina, Dan Colino, Paul Grainger, Mary Lou Piazza, Pat Castilla, and Anthony Barretta. Our D.A.R. citizen of the court was Patricia Barton. Homecoming ceremonies were held on October 31 at our battle against Herkimer. Crowned as queen was Mary Ellen Novak and her court was Patricia Barton, Suzanne Lasorella, Verna Stevens, and Kay Kilgress. All occasion greetings were sold by all of our subjects to increase our treasury. Anxiously, many of our subjects waited to be informed of acceptance at the college of their choice. And now, we await that awesome day of our graduation from this court into a higher court.

We have embarked upon many crusades through this first era of our lives. Now, upon entering into a new era, we bid a fond farewell to this castle and its court. We turn to the higher and more advanced court of the future and hope for further success.

Class Prophecy

BY KEN GRIFFIN

Now let us leave the fathomless past, forget the present, and peer into a glittering future, the future of the Class of Nineteen Hundred and Sixty-five, as foretold by an ancient medieval soothsayer.

Located on Main Street in Frankfort is the A. L. W. Contracting Company owned by TONY AHERN, TONY LISANDRELLI, and DAVE WALAWENDER, three very unique engineers who have brought prestige, prosperity, and productivity to the Mohawk Valley through their enterprises. Their private secretaries, JOANNE DE LUKE, MARY AMES, and CHARLOTTE BUNCE, and their private stenographer, PAT SKOWRON, keep this establishment the most efficient in the state. Collaborating with the skilled draftsman, PAUL GRAINGER, they have constructed an ultra-modern elementary school where we find teachers, MARY LOU PIAZZA, ROSE MARY CACCIATORE, JOSIE DI MARIA, SHIRLEY VIVACQUA, and KAY M. KILGRESS, trying to strap their kindergarten and first grade students into the newly designed electric shoe-tying machines. At the same time, teachers, CECILIA MANINO, ANDY CARDINAL, and DAVID VERDURA are trying to make their fifth and sixth grade students keep the earphones of their electronic teaching machines on.

Another new edifice on Main Street is SPATOLA'S Clothing Store owned by BOB SPATOLA. BOB has clothes to suit the size and taste of any man. His most recent creations are a leopard skin suit, zebra skin coat, and elephant leather shoes and wallets. You've probably guessed that he has made an agreement with the famous safari hunters, GEORGE BIANCHI and PETER CROSS, who send him all the materials he needs from Africa. BOB'S secretaries, GERALDINE AMENDOLARE and CHARLENE LAVINE, are in charge of making all contracts.

Farther down the street, we find BELMONT'S Barber Shop, the largest in the valley. Owner, PAUL BELMONT, has a staff of thirty-three barbers who are very adept at giving Beatle and Animal haircuts.

On the corner of Main and Litchfield Street, we find COLINO & CARLSON, Dentists. As we enter their ultra-modern edifice, we are greeted by receptionists, MAMIE DELIBERTO and CAROL COSTELLO, who show us into the office. Here we find dentists, DAN COLINO and KAREN CARLSON putting enamel-coated aluminum teeth into the mouths of FRANK GRAZIANO and DENNIS OLDS. Now the boys won't HAVE to hide their smiles.

Everything in Frankfort is not quite as cheerful. Newspaper editor, EUGENE KIPPER, has printed a horrifying story in his morning press: the well known physicists, MIKE LA POLLA, and those notorious chemists, JOE KINNEY and ANTHONY THOMAS were arrested by state trooper, RON SASSONE, after almost successfully carrying out their nefarious scheme to blow up town mayor, TONY BARRETTA. MR. BARRETTA is recuperating very well at Mohawk Valley Community Hospital due to the expert care administered by nurses, CAROL GRYGIEL, JEAN STREETER, and VERNA STEVENS, and due to the delicious and nutritious meals planned by hospital dietician, KAREN HAGEN. The three conspirators are being prosecuted by attorney, NORA TUCKER, who, after consulting the eminent psychiatrist, PATRICIA BARTON, was reassured beyond a doubt that the boys are "sane". PAT'S secretaries, EILEEN MURRAY, PAT SUIZDAK and CAROL BEAUHARNOIS are willing to testify in court to the validity of this statement.

We find several seniors of '65 have returned to teach at their Alma Mater. KATHY MARINE is teaching English and nobody can sneeze in her room without a handkerchief either. Teaching advanced courses in modern mathematics, PATRICIA TERZO has finally conquered her fear of Permutations, combinations and probability. Coaches, BOB CONLEY and CHRIS MUTO, have led the F.S.C.S. teams on to victory in football, while CHARLES SCAPARO has led them on to victory in wrestling.

From Frankfort, let's go to California where PAT CASTILLA has just become the chief surgeon at Blair General Hospital. Working as a team with Dr. Kildare and surgical nurses, MARY ALICE RUDDY, JANET

BIERNAT, and JUDY MORGAN, PAT, after forty-nine futile attempts has finally performed the first successful human brain transplant. Eureka!!!

If we were to pass by some of the secluded California beaches, I'm sure we would find DAVE YOUNG, GERALD YELLE, DAVE DOMINA and MIKE RISCICA taking their turns surfing piggy-back in the Pacific.

There is a rumor that the eminent marine biologist, JOHN DELISLE who had been missing for several weeks and was last seen in the vicinity of the Coral Key Marine Preserve in California, was eaten by a large dolphin known as Flipper.

From California, we go to New York City, the home of culture and excitement. As we glance at the theater page of the New York TIMES, we see that the famous soprano, SHERYL DURANT, will begin her New York debut at Carnegie Hall. Due to the generosity of the multi-millionaire business tycoon, FRANCIS MC GUINESS, and to the ingenuity of his broker, PAUL HUENING, the recital hall was able to be redesigned and enlarged to seat four million people. SHERYL'S program will include sections of the "Fantasia" from composer DOMINICK LASORELLA'S opera, "Pyramus et Thisbe", and her accompanist will be the eminent pianist, KEN GRIFFIN. Later in the week, GRETCHEN BENNETT will conduct the New York Philharmonic Orchestra in the first performance of her symphony number one in C sharp minor opus twenty-nine.

Excitement has been running high at Yankee Stadium for some time now; first of all when JOE POLIZZI hit the home run that won the 1970 World Series for the New York Yankees, and later when defensive quarter-backs, TONY POTENZA and SAL PARATORE, used their remarkable strategy to help make the New York Giants the undefeated national champions of the year.

As we meander over to the United Nations building, we find that the newly appointed chief interpreter, SAM SIMONETTE, has been the first person able to make the new electronic translating machine installed by electronic engineer, JERRY LICARI, translate Egyptain into Russian. Now WALIA PROKOPIENKO, the United States ambassador to the Soviet Union, can finish writing her report on the causes of the decrease in pome-

granate shipments from Egypt to the U.S.S.R. WALIA'S two secretaries, BARBARA GRATES and JUNE HUBALEK, are a priceless aid to her. Having presented her series of speeches on corruption in the French government, Mademoiselle PAULA FETTERLEY, the United States ambassador to France, will return to Paris with her secretary and travelling companion, KATHY WORDEN, to help Charlie DeGaulle straighten out his problems.

At Johns Hopkins Hospital, we find several former Frankfort High seniors busily absorbed in their occupations. Research technician, PAM WALSH, has recently been honored for her remarkable work in discovering the cure for elephantiasis. In her spare time, PAM has dictated to her secretary, MARY ELLEN NOVAK, a 3,946 page book on the cause and contagiousness of this loathsome disease. Also laboring at Johns Hopkins is GERALDINE TRIPPEN, a lab technician who has turned her occupation into a hobby. She collects blood samples of all her friends and not only keeps her secretaries, ELAINE YOTS, GEORGIANNE DURSE, and SALLY COOK, busy labeling them, but also keeps her nurses, EUGENIA GARROMONE, ELLEN JENKINS, and JEAN LOHM, busy giving all her fainting friends blood transfusions.

Now we must stop at Greenwich Village to see that famous artist ELEANOR MILLER, who is preparing to unveil her most recent painting entitled, "Portrait of a Warped Tree Trunk".

We find that CAROLYN SOBIERAJ and PATSY LIMPERT have finally been accepted at Hamilton College, but in different capacities than they once desired. "DOCTOR" SOBIERAJ is the head of the physics department, while "DOCTOR" LIMPERT is the head of the history department.

As we return to Frankfort, we must stop at the Elite Beauty Salon where the famous beautician, SUZANNE LASORELLA, is the manager of a staff of notable hair dressers, namely CAROL KIPPER, VICKI VORE, LINDA SHORT, and MARY LOU CHIPPARI. These girls can match the mood or dispositions of any woman with a hair color ranging from scarlet to chimney soot black. SHARON GREEN, JO ANN GRATES and MADELINE LAZIO frequently go to this beauty salon to have their moods and dispositions matched.

If we were to pass by the new residential section of town, we would see that homemakers, CAROL PAPALEO, SALLY MILES, JUDY MURDOCK, and CATHERINE OAKSFORD, are busy experimenting with new recipes in the kitchens of their respective ultra-modern homes. ALLEN GRAUDONS is still busy building his own ultra-modern home and, in fact, has been for the last seven years now.

We learn that DOMINICK FIORENTINO, drill instructor for the well known "Starlighters" left for Europe with his group due to the high rate of casualties caused by the drag racing antics of LANCE GIANGOLINI, DICK DUNADEE, and RON DI ORIO to the Starlighters while they were practicing in the streets.

Well, the ancient soothesayer's prophecy is almost completed. But wait! Here is a message flown in from Hollywood by jet pilots STEVE CONSILIO and MIKE RUTIGLIANO. It has just been announced that FRANCIS FRANK has finally become an honorary member of the Bullwinkle Fan Club.

Aloeha!

Frankfort Wins Crown

McGuiness Scores 3 In Victory

Mohawk — Fran McGuiness, Frankfort-Schuyler's bruising fullback, closed out his high school career with a three-touchdown effort to lead the Maroon Knights to a come from behind, 27-20 victory over Mohawk Central and the Iroquois League Championship before about 3,500 fans yesterday.

Frankfort, capturing its first league title since joining the circuit in 1959, closed out its season with seven wins and tie while Mohawk, which was the defending league champ, ended its season with four wins and three losses.

• • •

FRANKFORT fell behind 20-0 during the first half as a fired up Mohawk eleven pounced on three Frankfort fumbles and quickly turned them into scores.

McGuiness tallied his three scores on runs of 45, 6 and 2 yards in addition to ripping the Mohawk defenses for 124 yards in 17 carries.

Frankfort's other score came on a 16 yard pass from Tony Potenza to Tony Ahern. McGuiness ran for three extra points.

Frankfort took the ensuing kickoff and drove 64 yards in eight plays to score with McGuiness banging over from the two. Potenza set up the score when he scampered 22 yards on a keeper play to the two.

Frankfort cut the margin to 20-13 as Joe Catalina of Mohawk fumbled a punt and Ahern recovered for the Knights on the Mohawk 17. On the second play Potenza connected with Ahern for a 16-yard scoring toss.

• • •

SAL PARATORE set up the third Frankfort score as he recovered a Mohawk fumble on the losers 45. On the next play McGuiness broke loose up the middle and went all the way for the score.

Frankfort Victor Over Oneonta, 19-6

Frankfort—The Maroon Knights of Frankfort-Schuyler took a giant step toward their first Iroquoise League football title here yesterday with a 19-6 victory over Oneonta.

The running of Fran McGuiness and Chris Muto, plus the rugged defensive play of Sal Paratore and Joe Ferraro combined to furnish the victory, first ever by Frankfort over the Yellowjackets.

Muto took a pass from Tony Potenza for Frankfort's first tally, McGuiness ran 70 yards for the second and Joe Sharrino tallied the third on a 10-yard run to complete the rout of the fumbling Jackets.

Oneonta lost four fumbles to the scrambling Knights and the story of the game was written in that fact. Oddly enough, it was a recovered fumble which produced Oneonta's only touchdown.

• • •

RICK SIMONDS scored from the one-foot line in the third period after Dave Townsend picked up a Frankfort bobble at the Knights' 20.

Frankfort dominated the play most of the way, Potenza running his offense very well and the defense equal to anything Oneonta could throw its way.

Tim Bugbee recovered twice for Frankfort after slashing tackles had knocked the ball away from Oneonta runners.

Oneonta's defense was strong at times as the Jackets turned back a couple of early Frankfort threats. But McGuiness's long run proved the turning point and Oneonta never really got back into the game after the hulking fullback's third quarter sprint.

The win gives Frankfort a 2-0 record in Iroquois League play while the loss levels the Oneonta record at 1-1.

The words "a sound mind in a sound body" express the philosophy of the Girls' Athletic Association.

Members of this organization are urged to realize that sports not only help one physically but emotionally as well. Through hard work and perseverance the body is improved, but the teamwork and co-operation that is necessary for playing in intermural sports aids the mind and attitude. Sportsmanship is the lesson to be learned in every game.

Association

Secretary--Joan Horan
Treasurer--Sandy Chard

The GAA, which is open to all girls in grades 9-12, has steadily increased in number and has become the largest organization in the school.

Any girl attaining 100 points in a year through participation in sports is awarded a letter. After achieving a letter, a girl may then try for a bar. Trophies are awarded annually to outstanding players at the Athletic Banquet.

Girls' sports have again experienced a highly successful season and we wish them continued success in the future.
